YARDTECH'S NEWS

Volume 1, Issue 1

Recent Drydock and Afloat repairs of Greek Vessels at DAMEN SHIPREPAIR & CONVERSION Yards in North, West Europe and in Curacao

Welcome to the first issue of our Newsletter. It's been a great year working with you and for you.

YARDTECH MARINE SERVICES S.A. is Exclusive Agent of all DAMEN SHIPREPAIR & CONVERSION Yards in North, West Europe and Curacao.

In the pages that will follow, there is a list of Greek vessels which have carried out, either Drydock or Afloat repairs at our Principals' DAMEN SHIPREPAIR & CONVERSION Yards during the last semester of 2017, along with projects which have been and will be carried out in other cooperative shipyards in the Mediterranean, after our information from the shipyards.

We have additional information regarding the proposal of DAMEN GROUP for the new regulations of BWT and Scrubbers. Just visit [DAMEN GREEN SOLUTIONS](#).

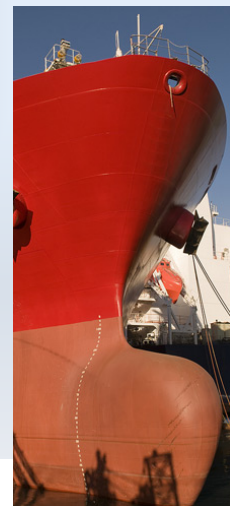

We would like to take this opportunity in wishing you a Happy Christmas and a very Prosperous New Year. Looking forward to do more wonderful business together in the coming year.
